

## PLAYER JERSEY # REQUEST FORM

**Players who are returning to the BETHLEHEM BLAST® from the 2009-2010 season do not need to complete this form.** This form is only for players who did not play for the BLAST® during the 2009-2010 season.

Jersey numbers are assigned by the BETHLEHEM BLAST®. We will attempt to honor a player's request for a specific number. When a player is assigned a jersey number he/she will keep the same number each year they continuously play for the BLAST®. In order to accomplish this, a jersey number assigned to a player born in a specific year will not be used again in that year or the year immediately preceding or following. *For example, if a player born in 1998 is assigned #77, that number will not be assigned to any other player born in 1997, 1998 or 1999.* By utilizing this method, it is highly unlikely that a player will encounter another BLAST® player with the same jersey number as they move through the organization.

Please complete this form and return it as soon as possible. If you are assigned to a team you will be notified of your jersey number and a copy of this form will be forwarded to the Player's Choice Pro Shop at the Steel Ice Center.
