**Player Registration Information**

Instructions for Online Documents:

**USA Hockey Online Player Registration:**

For the 2010-11 season, the DVHL and the Atlantic District are recommending that all youth hockey players register directly with USA Hockey (online) instead of through their clubs. The BETHLEHEM BLAST® will be following this recommendation. Therefore all players, whether returning or new to the BLAST® organization will be required to provide a copy of their 2010-2011 USA Hockey registration form before they will be allowed to participate in any on-ice activities. Below is a link to the USA Hockey web site and the information needed to register yourself online.

<https://www.usahockeyregistration.com/>

Note: Online registration for the 2010-2011 season will be available after April 1, 2010 but will not be in effect until September 1, 2010. Prior to April 1 you can only register for the 2009-10 season.

- If you are not currently registered with USA Hockey (for the 2009-2010 season) you will need to do so before evaluations for the 2010-2011 season.
- By no later than August 31, 2010 all players will be required to register for the 2010-2011 season and provide a copy of the online form to the BLAST® before your son/daughter can practice or play in games.
- Please be sure to check and confirm that you are purchasing the correct USA Hockey registration:
  - ✓ **If you already have a 2009-10 season USA Hockey membership (all travel and scholastic players already have this)** you need your member number when you register with the BLAST®.
  - ✓ **If you are a new hockey player or have not previously obtained a 2009-10 season registration with USA Hockey**, you will be required to purchase one online before evaluating with the BLAST® for the 2010-11 season.
  - ✓ The annual USA Hockey player registration fee of \$40 will **not** be included in the BETHLEHEM BLAST® player fees because all players will be responsible for securing this registration directly through USA Hockey.
